ABOUT OCAP

The Oklahoma College Assistance Program (OCAP), an operating division of the Oklahoma State Regents for Higher Education formerly known as the Oklahoma Guaranteed Student Loan Program (OGSLP), was founded by the State Legislature in 1965 as Oklahoma's designated guarantor for the Federal Family Education Loan Program (FFELP).

OCAP provides college access, aid awareness, financial literacy and student loan management programs and services that benefit students, parents, schools, and community partners. Our mission is to bring higher education within reach for all Oklahoma students; our commitment to this purpose is strengthened by our unparalleled service to constituents and industry partners and our innovative college planning, financial education and default prevention initiatives.

WHO WE WERE

For 50 years, we've guaranteed, or insured, lenders against default, bankruptcy, disability or death of student loan borrowers, serving as the designated FFELP guarantor for Oklahoma students and postsecondary institutions. Although the FFELP ended on June 30, 2010 and we no longer guarantee new FFELP loans, we remain a guarantor for FFELP loans issued prior to July 1, 2010.

An initiative of the U.S. Department of Education, the FFELP was a unique partnership in which private, nonprofit and state-based lenders made federally-guaranteed education loans to students and parents, making the dream of college a reality for more than 60 million Americans since its inception.

WHO WE ARE

Since the FFELP ended on June 30, 2010, we've expanded our existing college access, aid awareness, financial literacy, student loan management, and default prevention services for all Oklahoma students. We maintain our existing loan guaranty portfolio and continue to support existing FFELP borrowers in the state, and we're proud to help make higher education and successful student loan repayment a reality for Oklahomans.
